What Time Proves.

This thing of being sick and looking for a cure is a mighty serious business. People are not given to joking even at the first sympton of the approach of the grim destroyer. They do not want to be the subjects of experiment, but want medicine that had the test of years behind it. A medicine that has been made and used for 20 years give assurance of its worth, and can be taken with faith that they have the very best cure the world affords. All this can be said about Dr. Gunn's Improved Liver Pills as a remedy for sick-headache, dyspepsia, and indigestion, it begins right at the source of the trouble and she removes the cause. We will send a sample box of these pills free, or a full box on receipt of 25 cents. Sold by all druggists for 25 cents per box, or address Dr. Bosanko Medicine Company, 128 S. "GREEN SICKNESS"

The unhealthy complexion of green sickness is changed to the rosy blush of good health by Scott's Emulsion.

Green sickness is one of the forms of blood disease found in young women. The change from girlhood to womanhood often upsets the nervous system, weakens digestion and throws the blood-making organs out of gear.

Scott's Emulsion puts new heart into pale girls. It tones up the nervous and digestive system, and feeds the blood. It is a natural tonic.

Remember that 30 per cent. of these cases go on into consumption unless prevented. Scott's Emulsion prevents consumption.

We'll send you a sample free upon request.

ALL AROUND THE COUNTY.

Events of the Week as Recorded by a Corps of Special Correspondents.

A Never-to-be-forgotten Day Was Spent at La Honda on 4th of July, 1904.

LA HONDA, July 8.—Last Monday was a memorable day for La Honda, it being an occasion long to be remembered by the large assemblage here to join in the festivities. The Cavalli brothers should be complimented for the successful manner in which they conducted the celebration. All enjoyed themselves. Many valuable cash prizes were distributed among the successful contestants in the races. The winners of the races were: Young men's race, Roy Curran 1, H. Heiner 2. Young ladies' race, Mrs. Ed Bernhard 1, Miss Edith Johnson 2. Three-legged race, Curran and Heiner. Horse race, Bruno 1, W. McAvoy 2. The old familiar greased pig was very much in evidence for a short while, when he disappeared in the bushes, but after an exciting chase the meal was finally captured by the hungry, husky ham-chasers of Owls' Nest camp.

Hotel La Honda was taxed to its utmost, the demands for accommodations being so great that choice corners in the numerous barns and sheds about the hotel were at a premium, even the pumpkin house being pressed into service. The dances in Sears' hall during the afternoon and evening, were ably conducted by the regular floor managers, Messrs. Mesquite and Semichy, and were a decided success. The hall had been tastefully decorated by the guests and the music was all that the heart could desire. The elite of the surrounding country were in full attendance. Mention must be made of the sumptuous repast, a midnight banquet, served at the hotel. Many were the toasts, songs and jokes passed to and fro among the diners, their merry voices rising from the midst of the giant sequoias.

Once again we have Redwood City's most popular belles in our midst. The Misses Beeger drove over Wednesday and are stopping at the hotel. Welcome, girls.

The Tapiocas will give a grand ball in Sears' hall this Saturday night, July 9. A big crowd is expected and a good time assured. The dance will be an all-night affair. The supper will be served at the hotel.

Mrs. F. D. Seaver of San Francisco is visiting her aunt at Hotel La Honda.

The numerous friends of Miss Kelting were pleased to see her smiling face here on the Fourth.

We are to be treated to another masquerade ball on next Wednesday evening, July 13, in Sears' hall. The affair will be under the supervision of the Owls' Nest camp.

P. P. Chamberlain, San Mateo county's genial and popular treasurer, spent the Fourth here.

Pretty Miss Allen of Redwood City and Miss McDonald of San Francisco are guests of Camp Menlo, whose destinies are presided over by Miss Aimee McEvoy. Con Maloney of Menlo Park was a guest of the camp on the Fourth.

SAN GREGORIO SNAPSHOTS.

SAN GREGORIA, July 8—Our little village was very quiet on Monday as every one went to La Honda to spend their Fourth, but in the evening every one enjoyed the fireworks in town and also on the beach.

Mr. Carlin and daughter, Miss Mabel, broke up camp Tuesday morning and went to their home at Mountain View.

Harry Sears and Willie White of San Francisco were in town Wednesday visiting friends.

Miss Emma Roe is visiting her sister Mrs. Donnadieu in San Francisco.

There was an entertainment given here July 2 by the little girls of this town and was greatly enjoyed by every one.

Mr. and Mrs. Petre and daughter left for their home in San Francisco last Tuesday.

Mrs. Fitzpatrick returned to her home in San Gregorio after avisit with her daughter Mrs. Dixon of San Francisco.

Judge Buck, wife and son, and friends, returned to their home in Redwood after spending the Fourth here. Judge Buck thinks there is no place like San Gregorio.

T. E. Roe and daughters, Eva and Annie, drove to Pescadero Sunday.

Mrs. Glennan and children visited friends here this week.

Mrs. and Mr. Brazil of San Mateo have been visiting the former's mother, Mrs. Preader, for a few days.

Walter Haas and friend, Mr. Moore, drove out from San Francisco on Sunday oh a fishing trip and returned Monday with a good basket of fish.

Mrs. Jeff Wilson and son are visiting at the home of Mrs. McKay.

Manuel Statue drove through town Sunday with friends.

For the first time since the organization of the Bell school forty years ago have any pupils graduated until this year, when two were given diplomas by the County Board of Education. They are Frank Mesquite and Mabel Johnson. The success of the school reflects great credit upon the teacher, Miss Helena Hansen, who is a graduate of the Sequoia high school of Redwood City.

Miss Sallie Nelson left Thursday for San Francisco where she will spend a few weeks of her vacation with friends.

Mr. and Mrs. Laverne Warner of Petaluma are spending the week here with Mrs. Warner's aunt, Mrs. S. M. Saunders.

Miss Powell will leave for San Francisco on the 15th to buy and trim her stock for the fall, during which time the store will be closed.

Miss Mae Cook and the Misses Fannie and Kittie Crowe went to beautiful Monte Rio Saturday, and remained until after the Fourth.

Louis Coffey who has been a deputy assessor in San Francisco for some months past is spending a couple of weeks at his place on the Woodside road.

Mr. and Mrs. George Williams and little daughter were local visitors from Oakland, spending Saturday and the following days with relatives here and in Woodside.

Frederick Bahler is spending his vacation in Redwood. Frederick has grown to manhood since leaving here and is now employed by the Southern Pacific Company at the Benicia depot.

A. Silva was a Redwood visitor Wednesday. For the past two years Mr. Silva has been principal of the Pescadero school but was recently offered the principalship of the South San Francisco school which he accepted.

Miss Emily Leighton, who has been teaching in the southern part of the State and who is now engaged for the ensuing year as teacher of the primary department of the Pescadero school, spent a few days in Redwood this week.

Miss Julia Beeger returned home last Saturday after a delightful junketing in the Eastern States. Miss Beeger spent most of her time in sight-seeing, but on her return trip visited with friends in Minneapolis and Los Angeles.

Fred Nobs, who left last month with the geology class of Stanford to study the formation of the Santa Cruz and San Mateo coast region for the United States Geological survey, returned home Thursday. He had a very enjoyable time during his outing.

Mr. and Mrs. Hughes returned Saturday from a visit with relatives at Reno. While in Nevada Mr. Hughes called on Governor Sparks and found him to be a very affable gentleman. Mrs. Asa W. Collins and her son Asa are spending a few weeks with Mr. and Mrs. Hughes.

Russell Fraser had the misfortune to have his Columbia bicycle stolen while he was viewing the celebration at Palo Alto on Monday. He left the wheel in front of the Palo Alto postoffice, and on his return found it missing. The number of the wheel was 396 and a reward of $5 is offered for its return.

L. P. Behrens returned from his Eastern trip Wednesday evening after an absence of four weeks. On his return he was accompanied by his nephew, Charles Story, as far as Colorado where, with his mother, the young man will stay for some months hoping that the high altitude will help him to win back his strength. Mr. Behrens spent a couple of weeks at the Exposition and while he thinks it is fine, says that it is too big an affair, as it tires one out to see it all.

Mrs. George H. Rice and her son Stanley returned to Redwood Thursday morning after spending two very pleasant months in the Middle Western States. They did not remain in St. Louis very long, the climate there being warmer than anything they had ever felt before. The visit with Mr. Rice's brother in Iowa however, was much enjoyed. Stanley says that, barring Redwood, there are the nicest looking lot of young ladies at Algona that he has ever seen.

Doctor Ross is to make a specialty of the treatment of the nose, throat and chest, and while East recently took a course in this branch of the medical profession. This week he installed in his offices an up-to-date outfit of surgical instruments consisting of an electric motor, air compressors to administer local medications to the respiratory organs. It is the best and most complete set of instruments outside of San Francisco.

Hall and Lee Ross, the young sons of Geo. C. Ross, who have been attending the summer school of the Michigan University at Ann Harbor since last June, will not return until the middle of next month, when they will resume their studies at Stanford. The boys, who are good Republicans, on Tuesday visited the quaint old town of Jackson, Michigan, where the first Republican convention was held fifty years ago. In a lengthy letter to their father they described in detail their visit to the historic place. A picture of the notable building in which the convention was held was also forwarded and it is highly prized by Mr. Ross.

Prepare for the Next Fourth.

To a Redwoodite it would seem that Redwood City, Menlo Park, and Woodside, furnished most of the crowd for the Palo Alto celebration last Monday. From early morning the trains from here bore large crowds of people and by noonday the town was well-nigh deserted. The celebration at the University City were all that could be expected and Palo Alto can feel proud of carrying through such a large affair. To those who were unacquainted, however, the day was not of the pleasantest. The races were very slow about taking place and the beans and barbecue were a little more expensive than had been counted on, still taking all in all the most of those who attended enjoyed the day. In the evening, about Redwood, numerous rockets and other pyrotechnics could be seen lighting up the sky and numerous crackers could be heard exploding all about. The people of Redwood should not rest content to have our nation's natal day celebrated abroad. There is enough spirit, energy, and money, here at home to prepare for a mammoth celebration. The times at Redwood are always enjoyable. Now is the time for the citizens to start in and prepare for next Fourth of July.

Tried to Pass Bogus Check.

A young Spaniard tried to pass a bogus check on Assistant Cashier Towne of the First National Bank Friday, and that he did not was due only to Mr. Towne's shrewdness. The fellow first called and received some blank checks from Mr. Bert Behrens, saying they were for B. D. Weeks. Later he returned with a check filled out and numbered, drawn by B. D. Weeks in favor of Joe Castro for $72. Mr. Towne on looking at the check refused payment, saying that the signature was irregular. The young men said that Mr. Weeks was at one of the Five Point saloons and would call up the bank. In a few minutes a person claiming to be Mr. Weeks called up the bank and demanded to know why payment had not been made on the check. Mr. Towne said that a new check would have to be made out, as he would not pay the one presented. He then hung up the phone and called for Weeks' mill, where Mr. Weeks was at the time. He disclaimed any knowledge of the check and had not been to Redwood for several days. The matter was then put in the hands of Sheriff Mansfield, who has since found out who the man is, but he has not yet located him or found from what place he telephoned to the bank. The forged name on the check was a very good imitation of Mr. Weeks' signature.

Married on the Fourth.

Miss Rowie Hilson, daughter of Mr. and Mrs. A. Hilson who formerly conducted a dry goods store here, was married in San Francisco Monday to Mr. Lester Prager. Mrs. Prager is very well known here, as she has been a frequent visitor since her parents left town. She is a charming young lady. Mr. Prager is employed in a large wholesale house in the city. There is quite a coincidence in the young couple's marriage on the 4th of July, as Mrs. Prager's parents were wedded on that day 27 years ago and her sister, Mrs. Harry Harris, was married seven years ago on the 4th.

Will Become a Medico.

H. R. Painton, who for the past two years has been principal of the South San Francisco school, has resigned that position and will enter a San Francisco medical college next semester. Mr. Painton, who is a very brilliant young man, will without doubt make great success as a physician as he has the necessary requisites. During his incumbency in the South City school Mr. Painton has been studying along his chosen lines, so it will only take him two years more in which to complete his course.

Petition to Sell Realty.

Harry C. Knowles has filed a petition in the Superior Court of Santa Clara county for the authorization to sell real property belonging to the estate of I. G. Knowles, deceased, of which he is the administrator with the will annexed. Such course he represents to be necessary to meet outstanding debts and claims against the estate aggregating $16,804. The property which it is proposed to sell is Santa Clara and Humboldt counties and is valued at $17,250. The personal poopery of the estate is valued at $2478. S. G. Tompkins is attorney for the administrator.

Will Journey East.

Mine host Fromm of the Capitol Hotel has come to the conclusion that life without seeing the St. Louis Exposition would be too slow for him, and pursuant of that determination will, with his better half, leave early next week on his pilgrimage. Fearing that St. Louis will be too slow a town in which to spend his entire letter of credit, the genial gentleman will journey on to gay New York to enjoy the summer breezes of that metropolis. He will also spend a week or so at Newport, Bar Harbor, and a few other of the swell places.

Made Fast Time.

The yacht race last Sunday between the Pet and Eclipse resulted in a complete triumph for the former boat. The start was made at 10:41 and for a while the Eclipse lead in the race but the Pet steadily gained and when Hunter's Point was reached the signal to return was given. The Pet was far in the lead and the race was conceded to be hers. The Pet reached the starting point at 5:32 having covered 32 miles in 6 hours and 53 minutes. It was 6:27 when the Eclipse arrived. Last year the latter boat won the race. It was an exciting contest. The steamer Caroline had on board 100 excursionists who witnessed the race.

Allowed Alimony.

Mrs. Lizzie Rogers of South San Francisco recently commenced an action for maintenance and support against her husband, James E. Rogers, the prominent saloonman and politician of that place. An order was made directing him to show cause why he should not pay counsel fees, costs and maintenance, to his wife pending the disposition of the suit. The matter was heard yesterday and the Court allowed the plaintiff $25 per month as temporary alimony, costs $20 and counsel fees $25.

The Board of Supervisors met in regular session Wednesday. All members answered to roll call.

The monthly reports of county officials were read and filed as follows:

SOUTH SAN FRANCISCO, July 1, 1904.—To the Honorable the Board of Supervisors of San Mateo County: I herewith submit my regular monthly report. The general health of the county has been fair for the past month; few cases of mild scarlet fever have been reported from various parts of the county. I wish through this report to caution some of our physicians in the matter of reporting infectious diseases occurring in their practice outside of incorporated towns, as in several cases I have found them to neglect the same. For the month of June I have issued 649 burial permits, for which I have collected $649, and two disinterment permits, for which I have collected $20, making a total of $669 turned over to the County Treasurer, as per Auditor's receipt attached. Respectfully submitted,
A. EIKERENKOTTER,
Superintendent.

The following protest from H. T. Payne, special agent of the State Board of Fish and Game Commissioners was read.

"To the Honorable, the Board of Supervisors of the County of San Mateo, State of California.

"Gentlemen: There is now before your honorable board a petition asking that you pass an ordinance repealing Section Seven of Ordinance No. 186, passed by your honorable board on the 6th day of April, 1903, said ordinance relating to the protection of game, and providing a closed season for the protection of deer between the first day of October and the first day of August.

"The gentlemen who are asking for the repeal of said ordinance must be laboring under a misunderstanding of existing facts or they would not ask for what would inevitably lead to the speedy annihilation of the few deer left in the county.

"The facts are these: The two counties which adjoin yours in the deer country are Santa Clara and Santa Cruz; the open season in these two counties are,—Santa Cruz, from August 1st to October 1st and in Santa Clara county from July 15th to October 1st. With the exception of Monterey all the coast counties to the south have an open deer season from July 15th to September 15th, Monterey being the same as Santa Clara. None of the counties to the north, except those of the high Sierras, leave the season open later than October 1st, and most of them not later than September 15th.

"With these existing conditions, what would be the result of your repeal of the ordinance in question? It would surely be that, with all of the State except the high Sierras closed to the deer hunter on October 1st, and your county left open until the first of November, not only the deer hunters of your adjoining counties, where the season has already been closed, but the thousands of deer hunters of San Francisco would fill your mountains with camps during the month of October, and rob your own people of the last deer that ranges your hills. I ask you, gentlemen, as guardians of the interests of your county, if you can afford to invite this horde of hunters to your hills, to rob your people of the little game they have left?

"The State Board of Fish and Game Commissioners which I represent, are doing all in their power to maintain the present game supply for the uses and benefits of the whole people of this and future generations, and it asks the co-operation of the Boards of Supervisors of the several counties in this most important work. By the repeal of this ordinance you would be undoing the labor of the State Board, for which the State of California is spending thousands of dollars annually.

The reason that the last Legislature extended the State law from two to three and one-half months, was because of the difference in the breeding season of the deer in the Coast counties and the Sierras, expecting that the Boards of the respective counties, in guarding their interests, would cut off the latter end in the coast regions and the former in the Sierras, and in no case giving an open season to exceed two months.

"With very few exceptions, and only in the high mountain counties—this has been done, and in fact several counties have cut the season down to six weeks.

"From the fact that I have here stated I feel that your interests in the well being of your county will surely lead you to refuse passage to the proposed repealing ordinance. But, should you not be able to agree upon such refusal, I ask you, in the name of the State Board of Fish and Game Commissioners to postpone its consideration until your next meeting, and allow me to address your honorable board in favor of retaining your present county law.

"I would appear before you at the present meeting were it not that a former pressing engagement compels me to be in Nevada county to-night.

"I am, very respectfully,

"H. T. PAYNE,

"Special Agent State Board Fish and Game Commissioners."

Chase Littlejohn urged the Board to adopt the suggestion advanced in the petition and not repeal the ordinance permitting the shooting of deer in the county from August 1st to October 1st. This is the open season in Santa Cruz, Alameda and Marin counties and he thought all the bay counties should have a uniform season. Mr. Littlejohn explained that if the ordinance is repealed and the State law substituted, the deer in the county would be exterminated in a short time. McCracken thought that the statements made by Mr. Payne in his petition were well taken and was sure his constituents who asked for the repealing of the ordinance would approve of it. McEvoy Coleman and Eikerenkotter were of the opinion that July 15th was too early to open the season for the reason that many fawns would suffer. After some discussion the petition was accepted and filed and action on the ordinance repealing the present game laws deferred to July 18th.

The following communication from the Standard Oil Company was presented, read and ordered filed.

"SAN FRANCISCO, June 21, 1904.

"Board of Supervisors of San Mateo County, Redwood City, Cal.

"Gentlemen:—We beg to call your attention to a residuum oil which the Standard Oil Company offers for sale for use in road sprinkling. This oil is a still product, the lighter gravities having been taken out, leaving a residuum of a gravity of from 12 to 13 degrees Beaume. Being heavier and approaching nearer to asphaltum than the ordinary crude oil, it is a better oil for surfacing roads than crude oil.

"This oil we offer at regular crude oil prices, and if you are in the market for oil for road sprinkling purposes, we would be pleased to take up with you further the matter of furnishing you a supply of this oil.

"Yours truly,

"STANDARD OIL COMPANY,

"Your kind assistance in this effort to enlarge the number of our correspondents will be highly appreciated, and you can, in this way, unquestionably render valuable service to the farming interests of the entire country.

Afternoon Session.

The Board met at 1:30 o'clock pursuant to adjournment during the morning session, all the members being present.

The following communication from the United Railroads was read, and on motion of McEvoy, seconded by Eikerenkotter, the same was accepted and the Clerk was instructed to notify the company to have one of its representatives present at the next meeting of the Board:

"SAN FRANCISCO, July 5, 1904.

"To the Honorable the Board of Supervisors of San Mateo county, Cal.

"Gentlemen:—Owing to the fact that no local assessment was made in San Mateo county for the year 1903, upon the franchise, roadway, roadbed, rails and overhead construction of the United Railroads of San Francisco, your county in the event of a decision adverse to the State Controller in a suit now pending under the title of United Railroads of San Francisco, Plaintiff, v. E. P. Colgan et al. Defendants, in which the validity of the tax already paid by this Company upon all of its property, both in San Francisco and San Mateo counties is questioned, will lose the amount of tax to which you are entitled upon the property above referred to.

"To protect the interests of your county in this matter and demonstrate that we have no desire to escape our just proportion of tax, we herewith submit the following proposal:

"In the event of the final decision in the case of the United Railroads of San Francisco, Plaintiff, v. E. P. Colgan et al, Defendants, being adverse to the assessment made by the State Board of Equalization, we now offer and agree to pay a sum of money into the treasury of San Mateo county equal to the amount of tax, computed at the county rate of 1903 upon a valuation of $142,300, which we would have paid had the assessment been made in the regular way.

"This proposal secures you the taxes upon the property of the United Railroads in San Mateo county whichever way the suit is finally decided and will we trust be accepted by you.

Respectfully yours,

"ARTHUR HOLLAND, President."

F. H. Thorpe presented a map of subdivision No. 2 of San Mateo Park. He asked that the map be accepted and the streets and avenues delineated on said map be accepted as public highways. The tract is divided into 127 lots for the purpose of sale. A resolution dedicating the streets to the public was offered by McEvoy and seconded by Eikerenkotter and the same was adopted. The resolution contained a clause that the county would not be responsible for the care and maintenance of said streets.

Attorney Thorpe appeared before the Board on behalf of the Los Lomitas school district and asked the Board to authorize the issuance of bonds in the sum of $5000 to construct a new school house. He presented a certificate of election showing the proceedings had in the election of trustees. Evidence was produced showing the necessity of a school building. The assessable property in the district is $381,305 and the number of school children 37. Charles Harkins, F. W. Johnson and George Heidt are the trustees. On motion of McEvoy seconded by McCracken the Treasurer was instructed to advertise the sale of bonds, said issue of bonds to aggregate $5000. Each will bear interest at the rate of five per cent and be of the denomination of $500.

The communication of Frank C. Jordan offering the Standard voting machine for sale was accepted and filed.

Architect Dodge presented plans and estimates for further changes and alterations in the new court house. The changes are addition to jail in third story, metal finish instead of wood on first, second and third stories, bronze plating of all metal work, additional height of marble in halls, granite steps side porticos, vault to door of treasurer's safe, electric switches in all offices, and copper dome. The estimated cost will be nearly $12,000.

At the request of McEvoy the architect was instructed to be present next Monday at 10 o'clock, when the estimates and plans would be considered.

This being the time fixed by law for the Board to pass upon the assessment roll of the Assessor, the Board proceeded to receive the same, and on motion of McEvoy, seconded by McCracken, the books were accepted. The Board then adjourned and immediately reconvened as a Board of Equalization.

Twenty Years Trial.

There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from overwork, dissipation, or exposure, causing week and watery blood, and loss of flesh and strength, we have the one sure remedy in Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich red blood, making strong steady nerves, and increasing the strength, building up solid flesh at the rate of 1 to 3 pounds a week. This means health. For nervous prostration, loss of memory, or a pale, sallow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures; as we have been doing this for twenty years we know our method to be the right one. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75 cents per box, or 3 boxes for $2, or sent by mail, on receipt of price. Write us for a pamphlet telling all about this great medicine. Address Dr. Bosanko Medicine Company, 128 S. Sixth street, Philadelphia Pennsylvania.

THEDFORD'S BLACK-DRAUGHT FOR CONSTIPATION

Constipation is nothing more than a clogging of the bowels and nothing less than vital stagnation or death if not relieved. If every constipated sufferer could realize that he is allowing poisonous filth to remain in his system, he would soon get relief. Constipation invites all kind of contagion. Headaches, biliousness, colds and many other ailments disappear when constipated bowels are relieved. Thedford's Black-Draught thoroughly cleans out the bowels in an easy and natural manner without the purging of calomel or other violent cathartics.

Be sure that you get the original Thedford's Black-Draught, made by The Chattanooga Medicine Co. Sold by all druggists in 25 cent and $1.00 packages.

Morgan, Ark., May 25, 1901.
I cannot recommend Thedford's Black-Draught too highly. I keep it in my house all the time and have used it for the last ten years. I never gave my children any other laxative. I think I could never be able to work without it on account of being troubled with constipation. Your medicine is all that keeps me up.

WHERE TO SPEND VACATION.

Hints Given in Free Book Published by the California Northwestern Railway.

Of course you are going to have a period of rest this year, but, do not decide as to where you will pass this season until after you have read "Vacation 1904." This is a book issued annually by the California Northwestern Railway Company, which gives information regarding the many rest and pleasure resorts to be found on that road. These resorts are numerous enough and varied enough to supply thousands of people with whatever may be needed in the way of relaxation and recreation, and at prices which may suit every one's pocket.

To begin with, there is no prettier part of California than that through which winds the California Northwestern Railway. This is, in itself, a pleasure, and this is enhanced by the splendid equipment of the road and the ceaseless watchfulness, care and unfailing courtesy of the employees.

Aside from the attractive features of the road, the country traversed by it is richly endowed with mineral springs, which restore health and vigor to the ailing; woods and copses in which game abounds, running water and lakes in which swimming and boating may be indulged, and streams from which the trout may be drawn in all its beauty. While enjoying these, people may live in tents, farm houses, or hotels, just as inclination suggests.

Information on all these features is found in "Vacation 1904," which contains over 150 pages, and which is richly illustrated. The cost of maintenance at each place is also given from $7.00 per week upward.

"Vacation 1904" may be had at the offices of the California Northwestern Railway, or by mail, in response to a request addressed to the General Passenger Agent, San Francisco.

CURED OF HIS CLUB.

The Way One Woman Kept Her Husband Home in the Evenings.

"I would be very happy if my husband would not spend so many of his evenings at the club," said Mrs. Bride, with a sigh.

"Why don't you try the suspicion cure?" said her intimate friend.

"What is the suspicion cure?" asked Mrs. Bride.

"Well, my husband once got into the habit of spending his evenings at his club, and I worried myself ill. Then I changed my tactics. Instead of asking him to remain at home I urged him to go to the club. The way he raised his eyebrows the first time I suggested it showed that I was on the right track.

"One night he said he had a severe headache and would remain at home. I opposed the idea and insisted that an evening at his club would make him forget his headache. He gave me a hard look, but acted on the suggestion. I knew he would be back within an hour, so I made an elaborate toilet. He returned, as I expected, with the plea that his head was worse. I ignored his question concerning my elaborate toilet. He hasn't been away for an evening since. It is almost like the old honeymoon, only he appears to have something on his mind."
